

...Preceded by Chaos Vol. +1

By M. Wheeler

Illustrated by Brian Bicknell

PRESS RELEASE

The gripping second installment in this innovative illustrated short story series details the past, present and future of a young emergency room doctor, as the stress of saving lives threatens to overwhelm him.

Fresh out of his residency, Mitchell Weaver soon realizes he has reached a point in his life where many of his prior indulgences and flaws are no longer compatible with the responsibility he now faces.

...Preceded by Chaos Vol. +1 follows Weaver through the most traumatic period of his life, documenting his state of mind as he tries his hand at decency and sobriety for the first time in years; he is desperate to change, but can he? Whether at his job in New York or volunteering in the Dominican Republic, Weaver struggles to suppress his hedonistic urges and restructure his philosophies. Although his attempts to gain control of his life are genuine, the question remains: Is Mitchell gradually gaining control or is his life slowly falling apart?

Loosely based on the real-life events and people the author M. Wheeler has encountered during his work as an emergency doctor, and brought to life by a series of expressive illustrations, the second novel in the series ...

Preceded by Chaos Vol. +1 articulates Weaver's mental decline while revealing the chronic failings of even society's most distinguished members, highlighting how we can all harbor a dark side behind our respectable public facades, and how intense the stress of balancing these internal and external identities can become. A fine graphic short story, M. Wheeler's work is keenly illustrated by Brian Bicknell.

About the author: M. Wheeler has held an eclectic array of jobs — including working as a studio engineer and a teacher — before he entered medical school in his thirties. During his residency in New York City, he wrote the first two books which would eventually become the **...Preceded by Chaos** series. Wheeler travels extensively for his job but currently calls Miami, Florida, home. **...Preceded by Chaos: Vol. +1** by M. Wheeler (published by Clink Street Publishing, July 25th, 2017, RRP \$9.99 paperback, RRP \$3.99 ebook) is available to buy online from retailers including Amazon and can be ordered from all good bookstores. You can find more information online at www.precededbychaos.com, as well as following M. Wheeler on Facebook, Twitter and Instagram @precededbychaos.
